

WHAT ARE YOU GOING TO DO WITH THIS NEWSPAPER AFTER YOU'VE FINISHED READING IT?

OLLIE'S ISLAND

Everything we buy and use has an impact on our planet. Making the products we consume uses natural resources, water and energy and can create greenhouse gases..

But you can reduce these impacts. Become a more sustainable consumer: use and dispose of resources wisely; support responsible producers; and don't buy more than you need.

REUSE this newspaper by **RECYCLING** it for new newsprint and **RETHINK** your impact on the environment..
